Dear Erin,

This letter is to notify you that as of April 12<sup>th</sup>, 2013, the above model controllers will be discontinued. If you would like to place a last time buy order, please do so before April 12<sup>th</sup>, 2013. All orders will need to be shipped before October 11<sup>th</sup>, 2013.

An alternative to the 1254 and 1254C models being discontinued is the model 1253 controller we offer, although some engineering / application support will be required.

Please contact us if you have any questions, or if you would like to place an order, so we can provide you with last time buy pricing.

Best regards,

Scott Fischer
