

**Nichicon received the honored “Supplier Quality Excellence Award”  
from General Motors Company,  
on 30th October in Bangkok (for our Malaysian plant)  
and 20th November in Tokyo (for Iwate plant) respectively.**

This Award was given to the selected companies that provided excellent quality products delivered during the period from July 1, 2011 to June 30, 2012 and met the stringent quality requirements of General Motors unique evaluation system.

Nichicon will continuously strive for "zero defects" in making reliable and safe products that will exceed our customers' expectations.
