Conflict free minerals Declaration with regards to Dodd Frank Act Sec 1502

We hereby confirm that **all products** delivered from **ASSMANN WSW components GmbH**, until now and in future, do not contain any conflict minerals (tin, tantalum, tungsten and gold) which are sourced from mines of **Democratic Republic of Congo** or its adjoining countries. We have traced the usage of conflict minerals for our products in our supply chain. Furthermore we have requested all members of our supply chain to provide conflict free minerals material only in future as well.

New supply chain members in future will be checked in same manner and need to confirm it by a signed declaration as well.

If there will be any product which may contain any conflict mineral in future ASSMANN WSW components will inform our customers immediately after get knowledge of it.

With kind regards
ASSMANN WSW components GmbH
