

CHINA COMPULSORY CERTIFICATION STATEMENT

July 29, 2014

Please be advised that Molex Incorporated has thoroughly reviewed the China Compulsory Certification documentation including the Catalogue of Products Subject to Compulsory Certification. As a result of this analysis, Molex has determined that all Molex products (electronic components) are not applicable to the requirements of China Compulsory Certification.

If you have any questions regarding this determination, please contact Molex Incorporated Trade Compliance Department.

Please note that China Customs may intercept shipments at will.

A handwritten signature in blue ink, appearing to read "KL", written over a horizontal line.
