

# Tasking-平台搭建

——绿能芯 [terence.lin@eastchips.com](mailto:terence.lin@eastchips.com)

版本不同，方法类似可以参考如下步骤：

Tasking 软件下载 [http://forms.tasking.com/c166vx\\_lite/](http://forms.tasking.com/c166vx_lite/)

注册：（全英语注册，同时要企业或高校的邮箱，像 163 的是没有用）

---

Business email address :

IMPORTANT: Use your primary email address at your company or university for your registration. We will contact you through this address for the license activation.

First name :

Surname :

Department :

Job title :

下载：

**TASKING**

VX-toolset Lite for C166 registration page

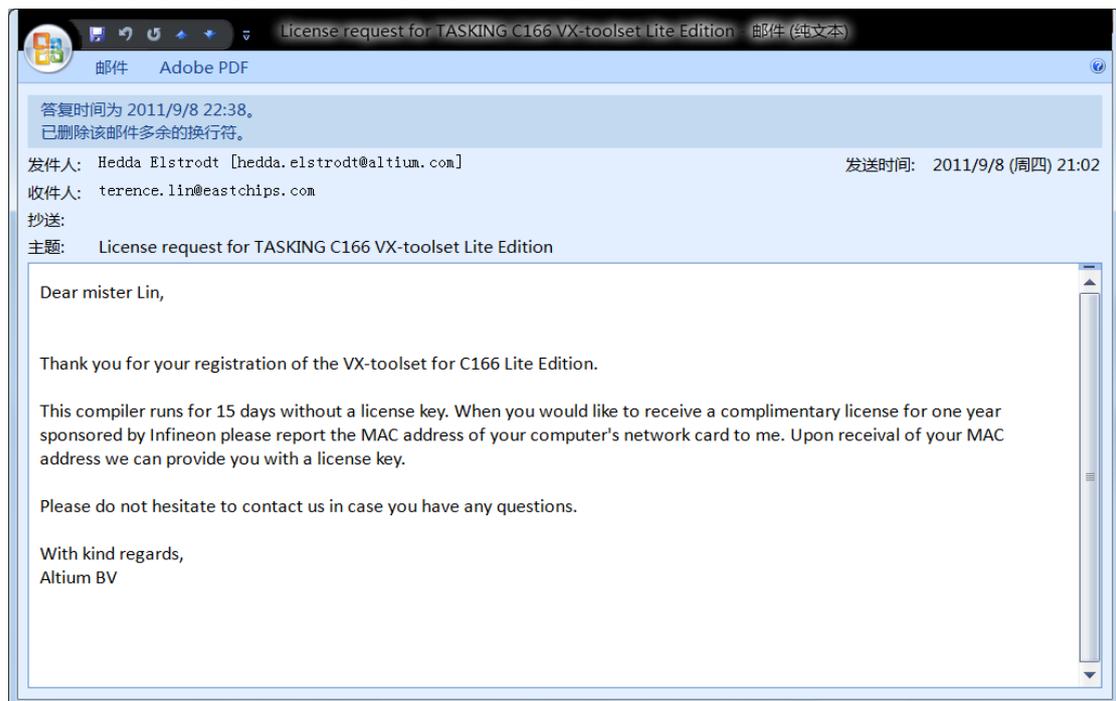

---

Thank you for your registration.

You can start the download of the Lite Edition by clicking on the button below. We will contact you within a few business days to confirm your registration and to ask you for the MAC address of your computer's network card in order to generate and provide the one-year license activation key to you.

[Start your Lite Edition download here](#)

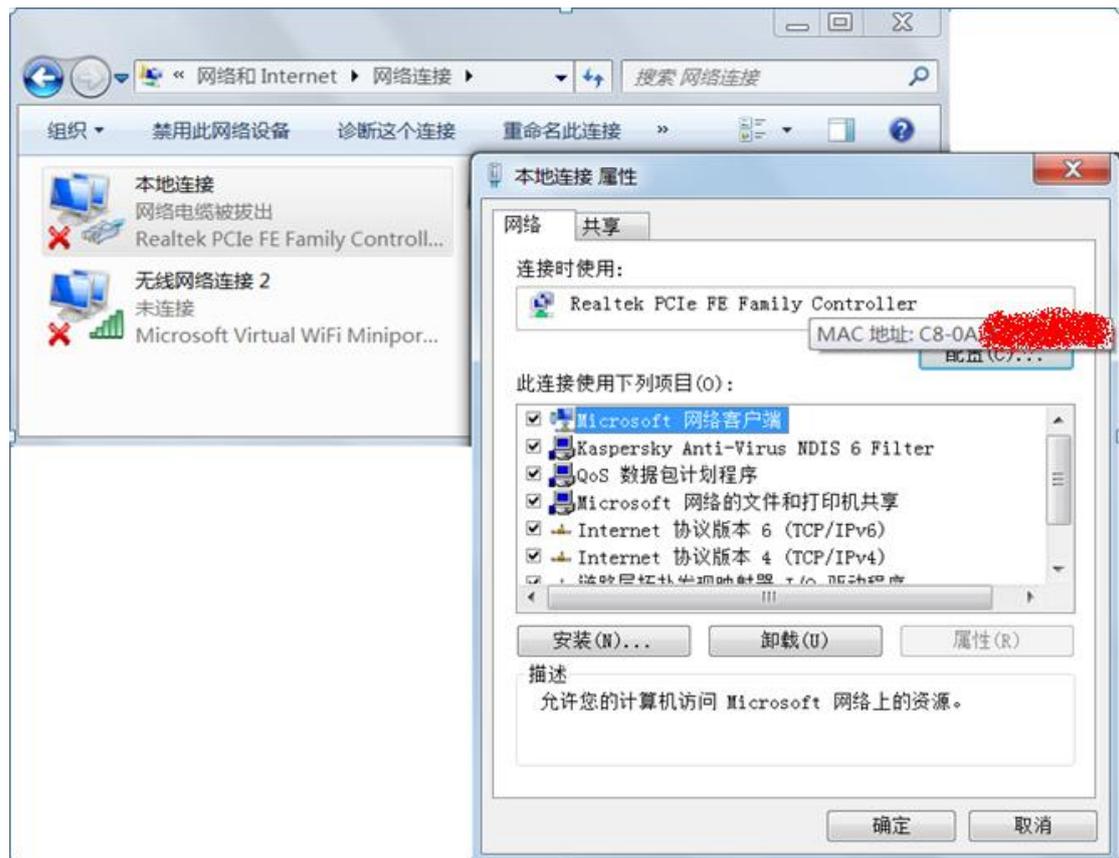

注册提交申请后将会在一周左右收到如下的邮件：

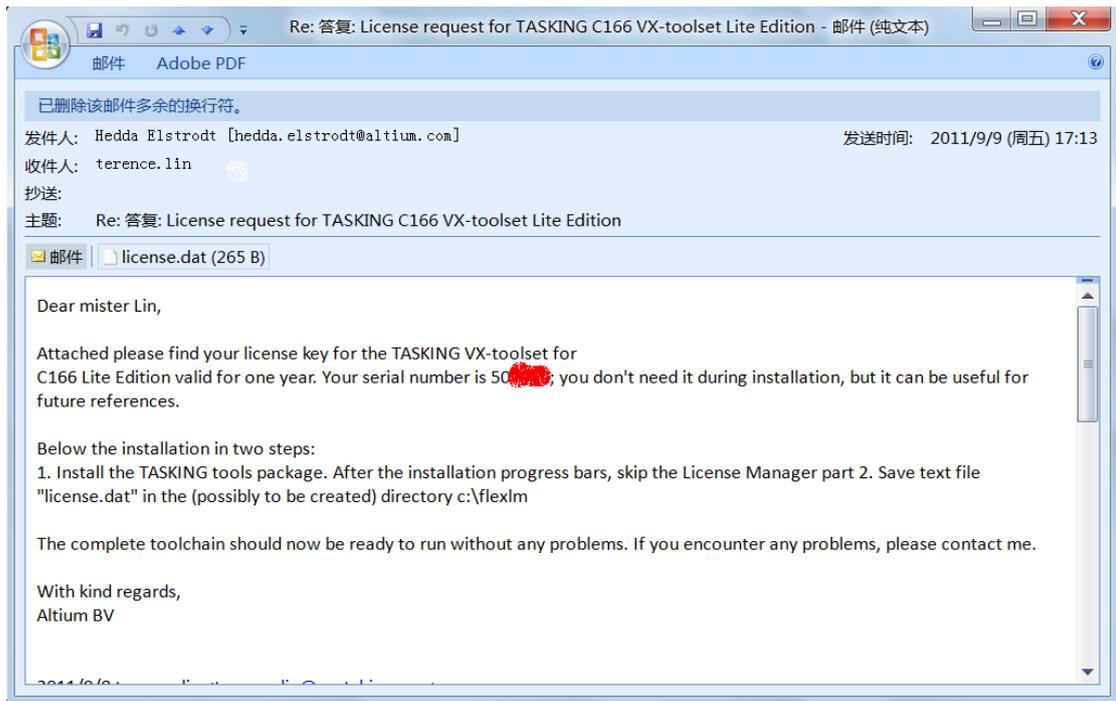

收到邮件后直接回复你的有线网网卡的 MAC 地址：（**必须有线的网卡**）

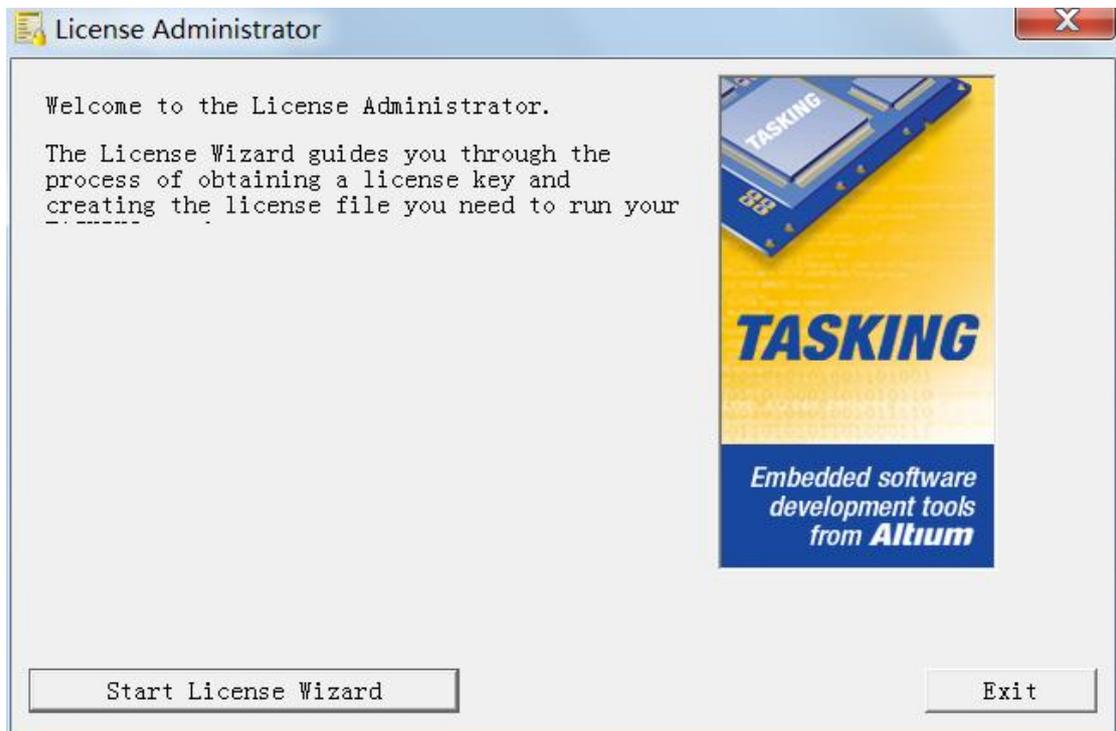

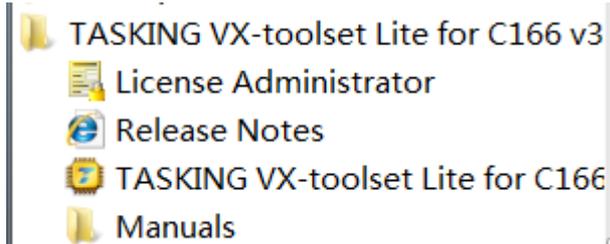

有线网卡的 MAC 地址：打开网络连接，选择本地连接，右键属性，鼠标放在连接

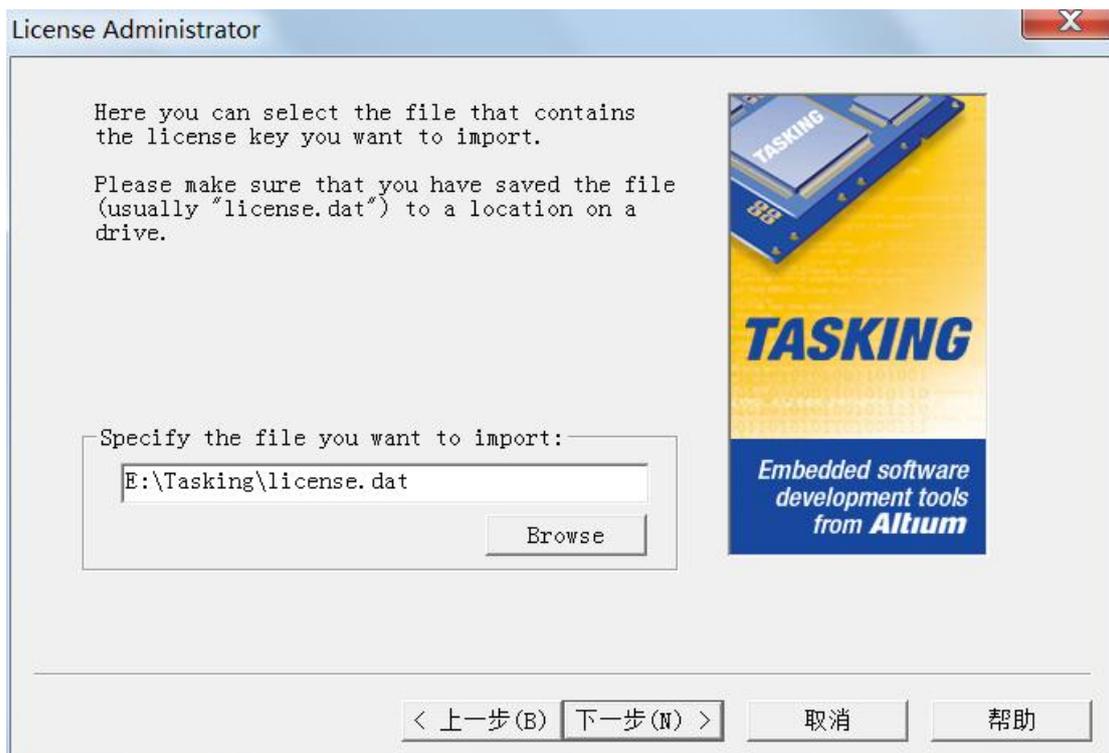

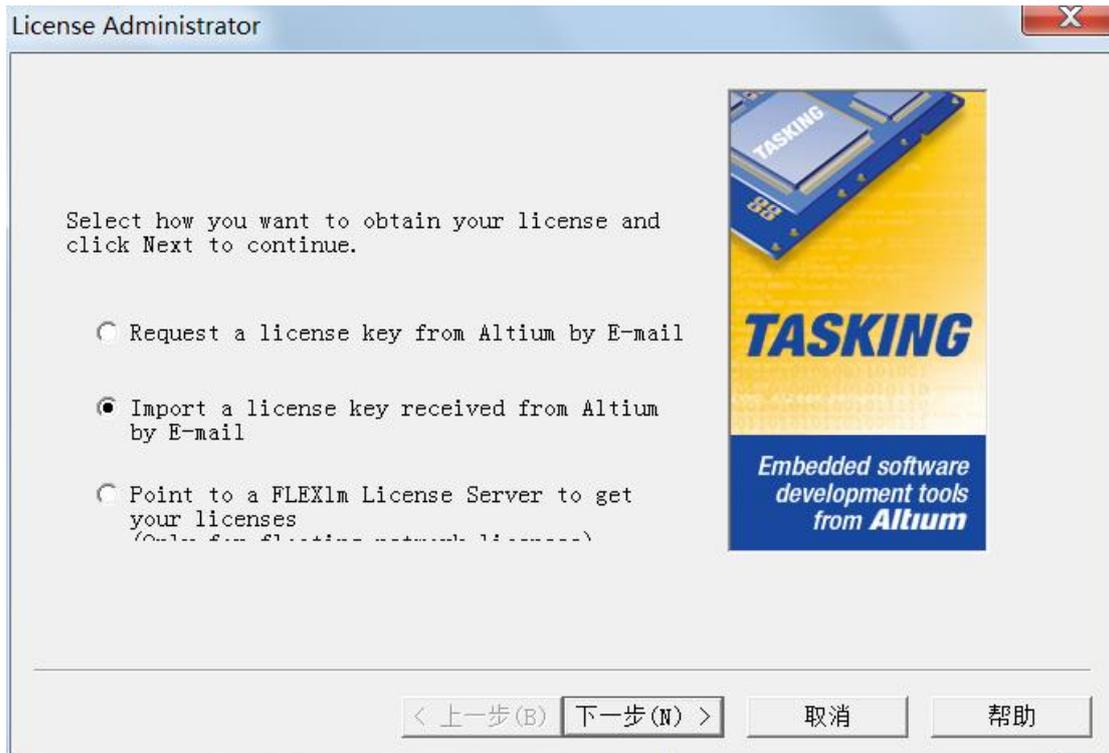

将在两三天后将收到附件为“license.dat”邮件，就可以开始软件注册了。

软件注册启动，在开始菜单栏下启动许可管理程序：

注册完成，启用 Tasking 程序编译时不会出来限制日期的提示了！恭喜注册成功！
