

## Vishay Provides Better Pocket Dimension For D<sup>2</sup>PAK Package

Vishay has modified the pocket dimension for the D<sup>2</sup>PAK package provided in tape-and-reel format. This change will provide a better fit for the package in the pocket and simplify the assembly process for our customers.

The following table provides the details of the change:

	B0	B2	K0
Current	16+/-0.1	10.35+/-0.1	4.9
After Change	17.1+/-0.1	11.45+/-0.1	4.95

The part numbers in the following tables are affected:
