

# WT1013

1-Channel Soldering Station 95 W  
Product no.: WT1013N

## Benefits

- Digital Soldering Station WT 1, 120V, 60Hz (95W) with WP 80 and WR S201
- WP 80 soldering iron (80 W) with Silver-Line tips for all standard soldering applications. Tip family: LT
- Setback, lockout, temp. window, F/C switching, standby, auto-off time

### Technical Data

|                                        |                                           |
|----------------------------------------|-------------------------------------------|
| Dimensions L x W x H (mm)              | 149 x 138 x 101                           |
| Dimensions L x W x H (inches)          | 5.87 x 5.43 x 3.98                        |
| Weight (approx.) in kg                 | 1.9                                       |
| Voltage                                | 120 V                                     |
| Power                                  | 95 W                                      |
| Channels                               | 1                                         |
| Temperature range (depends on tool) °C | 50 - 450                                  |
| Temperature range (depends on tool) °F | 150 - 850                                 |
| Temperature accuracy °C                | ±9                                        |
| Temperature accuracy °F                | ±17                                       |
| Temperature stability °C               | ±2                                        |
| Temperature stability °F               | ±4                                        |
| Equipotential bonding socket           | Via 3,5 mm pawl socket on front of device |
| Display                                | Backlit LCD                               |
| Air consumption l/min                  | ---                                       |
| Operating pressure in bar/psi          | ---                                       |
| Capacity l/min                         | ---                                       |
| Vacuum                                 | ---                                       |
